Download Files from Preparer:

After you log in you will be taken to the Client Home page of your tax preparer's site. Follow the instructions below to download your files.

1. Click **Documents from Preparer**.

2. Click **Download** beside to the file you want to retrieve.

NOTE: You can only download one file at a time.

3. Follow the on-screen instructions to download for your specific browser.

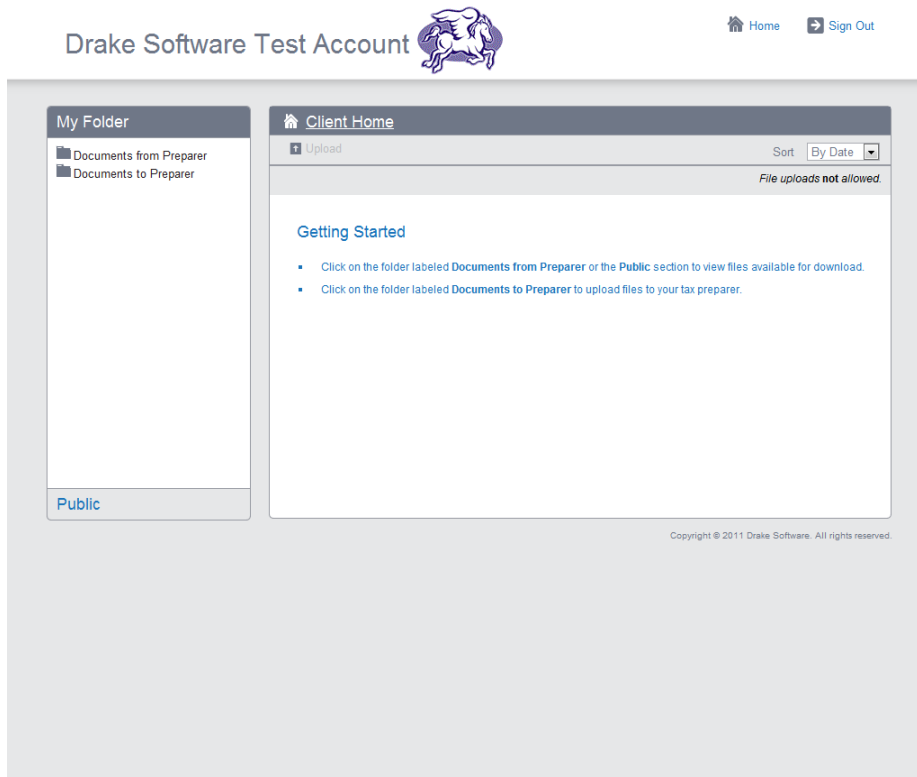

NOTE: If you cannot download the file, check your browser settings to ensure that downloads are allowed.

4. Once the file is downloaded to your preferred location, you can view it as needed using your browser's view downloads or Windows Explorer.

Download Files to Preparer:

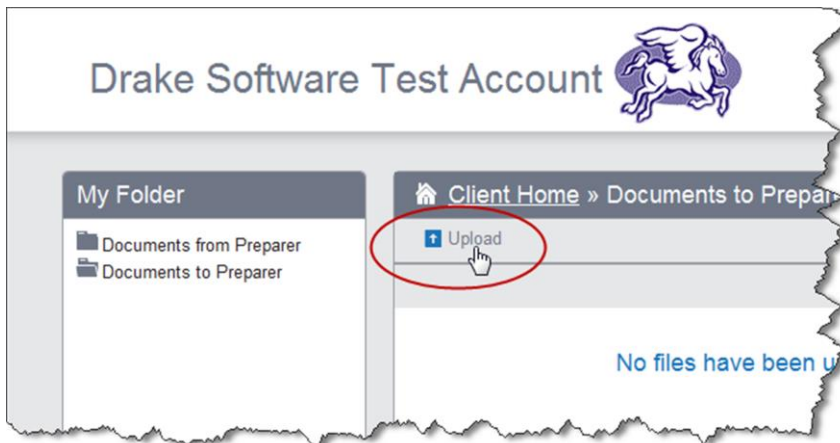

You can Download Files to Preparer by following the instructions below:

1. Click **Documents to Preparer**.

2. Click **Upload**.

3. Click **Browse Files**.

4. Use the browser to locate and select a file to upload and click **Open**.

NOTE: You can select multiple files to upload at one time.

5. Click **Upload** to add the selected files to the Documents to Preparer folder.
